

"Beyond the Basics . . .

"More Tools & Strategies to Advance the Dental Sleep Medicine Area of Your Practice"

March 24-25, 2017

Roseville, California

Hampton Inn & Suites

16 CA & AGD CE

Lecture, Demonstrations, Interactive and Hands-On Learning, *Plus . . .* Breakout Sessions for Individual and Team Education for Clinical & Office

This practical educational program is designed for dentists and dental team members who have been involved in Dental Sleep Medicine and have delivered Oral Devices for Sleep Apnea and Snoring, and want to build your Dental Sleep Team and grow the Dental Sleep Medicine Area of Your Practice, without an expensive outlay for equipment. Learn from Clinicians who work in Private Practice, in a Sleep Diagnostic Center, in a Cardiologist office and who receive Referrals regularly from Sleep Physicians. Learn management tools to manage patients in various stages of treatment and more confidently work with Medical Insurance Companies and Electronic Health Records, and the benefits of being a Medicare provider. Get a tour of California Sleep Solutions Sleep Lab, Take a Sleep Test, Participate in Hands-On Exercises and have an appliance made and adjusted at the course & more! **AGD/CA-16**
