

# Amazing Results with Nasal Dilators

Medicare E0486 Cleared  
#M001 Standard  
#M002 + Nasal Dilators  
#M003 +Tongue Lifters

**Pre-Treatment**

**AHI > 90**

**With OASYS Hinge + Nasal Dilators AHI 10**

To: Barry Chase, DDS

March 1, 2016

"Enclosed is a copy of Mr. \_\_\_\_\_'s home sleep study. Since he has been on the oral appliance, he has done extremely well with good clinical response. His AHI is 10 on the appliance. Considering that his pre-treatment AHI was over 90 events per hour on a split study, this is greater-than-expected response. He is doing clinically well....."
